DAILY CHALLENGE

After completing your reading and reflection, take a moment to journal and pray about the specific steps you feel led to take. Here are a few questions to meditate on and respond to: In what ways is God calling me to repent and realign my heart with His will? How can I trust in God's perfect timing today, especially when things seem uncertain? How can I surrender my own fears and uncertainties to God's sovereignty today? What is God revealing to me about my own spiritual journey? Whether it's an action, attitude, or heart change, ask God for strength and clarity as you seek to live out His Word. By breaking down the daily challenge in this way, you're not just reading through the major prophets, but actively seeking how God's message can shape and transform your life.
